"Chiropractic from the Heart is THE best personal and practice growth experience you will ever do. Seriously!! You wanna be 'in service' and 'connected' from a place of love and integrity then you can NOT afford to miss CFTH. It's that good. Any of you that have attended Syntropy Mastery training and heard Pat and Aaron talk about 'dropping in', this workshop will make that very, very personal for you and enable you to do that very easily and from your place of love and truth. Dr. [Stew Bittman](#) is a living legend! You will have a life changing experience, have no doubt!" Liam M
