

# COUPLES ADVANCE

Come relax, renew, recharge and deeply enrich your relationship with your life's partner...enfolded by the peaceful beauty of Tahoe... explore your deepest intentions and truths about yourself and your beloved... learn new ways to communicate from that place

Committed relationship is a beautiful warrior's path to God-awareness... it requires courage, commitment and compassion (with a healthy dose of comedy)... it also requires having tools at our disposal to remember our love and to remember we are in this thing together

This weekend will be sacred, practical, musical, fun, empowering and heart-opening... a mystical experience of love and oneness through the lens of divine relationship... there will also be plenty of free time to explore the glory of Nature and/or each other...

Presenters: Hillary & Stew Bittman, who have been lovers of Spirit and each other for 33 years. It is part of their joyful mission to help couples deepen their love, which in turn creates love and healing for Mother Earth. They are the co-Spiritual Leaders of Unity at the Lake.

Musicians: Kristina & Jazz are still "newlyweds", celebrating 4 wonderful years of marriage together this year. They are both fabulously talented musicians who enjoy sharing their passion for creating conscious, heart-opening, sacred & healing music with all.
